# Year-Round Programming & Networking

*Topics are regularly contributed by our members, so they are responsive to your needs.*

## **Annual Meeting**

Held in August of each year, this is an all-member event for celebrating our work over the past year and looking forward to the year to come.

## **Breakfast Series**

Regular panels exploring a big theme through different perspectives offered by a range of (primarily) Chicago-based experts. High-level learnings summarized for distribution shared widely.

## **Community Conversations**

Members with successful new approach to advancing their mission—employee engagement, volunteering, etc.—are invited to share their model and insights with others.

## **Demystifying Social Impact Careers**

Regular series featuring social impact leaders sharing candid insights into their journey. Primarily for those in early stages of their career or looking to make a career change.
